Under One Roof With Ample Dancing Space...

With a steady year-to-year increase in attendance you've made it abundantly clear that we've found a winner in the San Ramon Marriott. Everything's under one roof—you can dance, dine, and sleep in one convenient location.

Our venue is located conveniently off Interstate 680 in San Ramon. Take the Bollinger Canyon Road exit off 680 and head east. At Sunset Drive (the first signal) turn left (north) toward the Bishop Ranch shopping center. At the second signal turn left (west) on Bishop Drive (behind the shopping center, before entering the AT&T business complex). Follow the road which will curve right (north) and the San Ramon Marriott will be on your left.

2600 Bishop Drive, San Ramon, CA 94583 | 925.867.9200

We'll provide spacious dance halls with solid flooring for your dancing pleasure. The Marriott offers deluxe accommodations, an on site restaurant, snacks and sandwiches outside the dance halls, and several other options for food and shopping within walking distance.

Make Your Room Reservations Early!

We've secured a sensational room rate for those of you staying on site. Deluxe resort-quality rooms are available at a rate of \$95/night when you book your room before May 15, 2011. Reserve your room online at www.marriott.com or call 800.228.9290 and mention group code **AGSAGSA** to secure this great rate. In recent years, dancers have occasionally had difficulty reserving rooms as the event nears and the hotel fills. If you have **any** problems making a reservation, contact our Hotel Liaison at roundup.hotel@ncsda.com for assistance.

A Couple Of Notes On Parking...

Day Parking — The San Ramon Marriott charges visitors for parking. For the 2011 Golden State Round Up, the Marriott will waive the parking fee for dancers who are staying at the hotel. Non-hotel guests should expect to pay 50% of the standard all day rate for parking.

Overnight Parking — The City of San Ramon prohibits camping in RVs and trailers. While you are welcome to park your RV or trailer in the Marriott lot, you may not stay/sleep in it. If you wish to stay in your RV or trailer, there is parking available a short distance away at the Alameda County Fairgrounds in Pleasanton. Please call 925.426.7600 for details.

Your Accomplished Musical Directors:

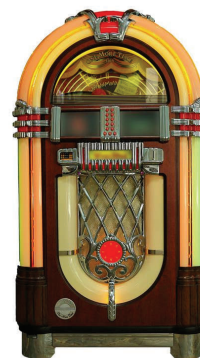

We've recruited an experienced committee of "Accomplished Musical Directors" to put together an event you will never forget. If you have any comments, questions, or concerns, contact anyone on our Musical staff and we'll help any way we can.
